OFFICE OF THE CHAIRMAN / CEO

PRESS STATEMENT

RE: LAMENTATION OF NIGERIANS IN TANZANIA PRISONS

ABUJA, APRIL 22, 2020 : Sequel to reports circulating in the media on the foregoing matter, it is expedient to clarify the issues at stake for the generality of the public as follows :

1. Ever before Covid-19 pandemic, the Nigerian Mission had been working on repatriation of Nigerian prisoners in Tanzania. The Ambassador, Dr Sahobi Isa Gada OFR, mni was actually in Nigeria in January 2020, specifically for this purpose , after having successfully secured a release of 60, out of 73 Nigerians, in various prisons in Tanzania . Arrangements were then being made by the Ambassador for their repatriation.
2. Most of them were arrested for alleged drug related offences, while a few of the offences bothered on immigration.
3. Despite securing repatriation for 60 out of the 73,the mission sent a team out to ascertain if there were more Nigerians in Tanzanian prisons.
4. While the mission has joined other countries in making a plea for amnesty for Prisoners during this Covid 19 period, the mission remains optimistic the Tanzanian Government would respond positively , while the mission will continue to work on repatriation, which was affected as a result of Covid-19.
5. For each of the 73 Nigerians in the Prison, the mission had paid 330.000 shillings as court fees for each of the them, and was always represented in court. The mission had also successfully negotiated repatriation for 60 prisoners.
6. It was true that a British citizen working with an NGO did visit the office of the SSA Diaspora to the President then, with a complaint and verdict about the very slow nature of the Tanzanian judicial system which sees trials dragging on for too long. The Nigerian mission, after tireless diplomatic interventions , succeeded in getting retrieve for 60, out of 73 inmates.

Unlike the unwritten British constitutional system, the first source of law for the United Republic of Tanzania is the 1977 Constitution. The constitutional history of Tanganyika traces its background from the 1961 Independence Constitution, which was adopted at the time of independence.

In 1962 Tanganyika adopted the Republican Constitution, which operated from 1962 up to 1965. These two were based on the traditional Lancaster style constitutions negotiated at independence by the British upon handover of state power to newly independent states.

In 1965 Tanganyika adopted an Interim Constitution while the country awaited a new constitution to be drafted, after it abolished the multi party political system and adopted a one party state system.

The process lingered longer than it was meant to and thus the constitution lasted from 1965 up to 1977 when a new constitution was adopted and it has remained applicable to date, with fourteen subsequent amendments.
